

Background

In practice in Titusville since 1989, Dr. Quintana is a member of the American College of OB/GYN and the Society of OB/GYN. A Graduate of Ponce School of Medicine, Dr. Quintana completed his residency at University Hospital Puerto Rico Medical Center.

Dr. Perez has been in practice in Brevard County since 1994 and is also a member of the American College of OB/GYN as well as the Florida OB/GYN Society. Dr. Perez attended University of Puerto Rico and did his residency at University Hospital, San Juan, Puerto Rico Medical Center. Both doctors speak English and Spanish.

Our nurse practitioner, Andrea Williams, has been with our practice since 2004. Mrs. Williams completed her Master of Science in Nursing from University of Central Florida. She specializes in patient education and care of adolescents and young adults. She joins Dr. Quintana & Dr. Perez in volunteering in the community with public speaking and healthcare education.

Office Hours & Appointments

A visit to the doctor's office can be stressful for many patients. Our goal is to make this as pleasant an experience as possible. You will find that we spend extra time with each of our patients, more time than you may be accustomed to with other physicians. We appreciate your trusting us with your health care needs and look forward to having you as a patient!

The Titusville office is open Monday – Thursday 8am to 5pm and is closed on Friday. We close daily for lunch 12-1pm. The Rockledge office is open Tuesday 2:30pm to 6pm and Friday 9am to 1pm.

We do not start answering our phones until 9am every morning and 1:30pm after lunch.

Patients are seen by appointment. We try to always offer same day appointments when available.

Insurance

We participate in most insurance plans such as Aetna, Cigna, BCBS, United Healthcare and Medicare. Check your provider listing or call our office to verify our participation with your carrier.

For your convenience, Dr. Quintana & Dr. Perez have hospital privileges at Parrish Medical Center and Wuesthoff Hospital.
